

Declaration on Conflicts of Interest of Speakers

Dear Speaker,

you kindly agreed to read a paper on the subject of:

for DGMKG within the scope of the event
"69th Congress and Practice Management Workshop" from 26th to 29th June 2019 in Frankfurt for which we thank you very much.

The Hessen Regional Medical Council announces that the contents of the training programme must be product- and service-neutral.

The contents of further medical education must be independent of any financial interests. Services and/or products must not be advertised.

Organisers, speakers and scientific administration must disclose in a self-disclosure their potential conflicts of interest vis-à-vis the participants (first slide in the case of papers which must remain visible at least for 10 seconds - see Annex "Template").

In order to make transparent possible conflicts of interest associated with this engagement, we kindly ask you to disclose all companies with which economic relationships exist/ existed during the last two years which positively or negatively influence the content of the lecture. According to the specifications of the Federal Association of Dentists [BZÄK]/ National Association of Statutory Health Insurance Dentists [KZBV], you are obliged to disclose these relationships at the event.

Even if no such relationships exist, you are kindly requested to indicate this accordingly.

There are

[] no economic relationships.
